Fastrack Expands Staff to Accommodate Demand

Plainview, NY... Fastrack Healthcare Systems announced today that it was expanding its' staff to accommodate the increasing demand for their Home Medical Equipment (HME-DME), Home Care Pharmacy (Infusion Pharmacy) and Home Healthcare Agency enterprise software solutions.

Quality assurance, technical support, software development, and the implementation and training departments have already seen significant increases in staffing levels. Fastrack has also expanded its' sales team with the addition of Bill Halligan as Account Manager and Ellen Cappelli in inside sales.

According to Spencer Kay, President/CEO of Fastrack, "We are very excited about Bill and Ellen joining us as both have extensive HME and Home Health Agency (HHA) knowledge that will be extremely beneficial to our clients and those providers considering automating their business with Fastrack." Bill and Ellen were previously with CareCentrics selling their MestaMed and Dezine products and Ellen was also with MediWare Information Systems (MediWare). Bill has over 18 years and Ellen more than 20 years of experience in healthcare software applications.

Fastrack presently has openings in outside sales and in their software development group for programmers with Delphi and .NET experience, preferably with a good understanding of Microsoft SQL and the Crystal Report Writer.

Fastrack Healthcare Systems is the leading supplier of software & technology to Home Medical Equipment providers, Durable Medical Equipment and Respiratory Providers, Home Infusion Pharmacies & Home Healthcare Agencies. Only Fastrack offers a solution for each individual segment of Home Care as well as one system encompassing virtually every clinical, operational and financial aspect of a provider's business, automating several or all of these product/service lines within one integrated Microsoft SQL database.
