

**FOR IMMEDIATE RELEASE:**

**INDEPENDENT MEDICAL CO-OP AND FASTRACK HEALTHCARE SYSTEMS ANNOUNCE NEW PARTNERSHIP**

**03/27/2013-Plainview, NY**

Independent Medical Co-Op (IMCO), Daytona Beach, FL and Fastrack Healthcare Systems,(Fastrack) Plainview, NY have teamed up to bring an unparalleled level of service for DME/HME Providers.

IMCO recently launched their new Home Care initiative, a dedicated membership group serving Independent DME/HME dealers through the United States. IMCO Home Care provides for its members the best in Home Care manufacturers at contracted prices, as well as resources essential to efficient and profitable businesses. To that regard, IMCO has partnered with Fastrack Healthcare Systems as the exclusive billing system provider for IMCO Home Care and its members.

"Searching for a billing system company, it became readily apparent the best choice was Fastrack. Fastrack's impressive history, people, customer relationships and superior technology is a perfect fit for IMCO. Fastrack represents the quality we seek for our companies and our members. We're proud of this relationship," said Deb Bullock, President of IMCO, "Testimonies to the quality of the company and its employees, by existing IMCO Fastrack customers, were driving factors in our decision to partner with them."

Fastrack, whose areas of service range from servicing DME providers, Home Health Agencies as well as Pharmacies will be the exclusive billing software offered by the association. IMCO's new Home Care group will also be offering active users of the Fastrack software discounted rates for joining IMCO Home Care.

"We here at Fastrack are proud to be part of the IMCO family and look forward to working with the IMCO Home Care group for years to come," said Spencer Kay, C.E.O. of Fastrack.
